

Spotlight on our Employees. Maria Perez

All of the residents in C, H, and D know Maria, as she is our ever friendly, eager-to-please Housekeeper. Maria is from Cotalan, Mexico where she has three brothers and two sisters. She came to the United States twenty-nine years ago at age twenty-four with her husband. She became a citizen “a long time ago”, and has been at Canterbury Woods for eight years. She cleans four to six apartments per day, depending on the size, and Cambridge Cottage.

Maria has a son, a daughter and two grandsons, nine and seven, who spend weekends with her and she is delighted that they are nearby. Maria’s daughter works in the hospitality industry in Monterey.

When she is not working she likes flower arranging and cooking, her specialty, traditional Mexican fare, much appreciated by the staff at potluck events!
