

DRAFT  
ENVIRONMENTAL SERVICES ADVISORY COMMITTEE

MINUTES – March, 2018

The Environmental Services Advisory Committee met on March 1, 2018 in the Canterbury Room. Present were: Nancy Frost, Chair; Karen Robinson (C); Barbara Fonseca (D); Becky Hetter (H); Jan Appel (H); Connie Hamblen (J); Teresa D’Attilio (L) and Marty Goad (Cottages). Also present: Norma Brambilla; Geoven Snaer; Mary Dorscheimer and Isabel Gray. The meeting was called to order at 10:00a.m. The minutes of the previous meeting of February 1, 2018 were approved as submitted.

GEOVEN SNAER reported the carpet extractor is back and working better than ever – cleaning better and extracting more water thus a faster drying time. This is used for high traffic areas. The smaller one, for spot cleaning, is still being repaired. He also reported if you find the recycle or garbage containers in the hall closets are full after normal pickup time call the front desk and report it so a houseman can pick up the materials when time allows. He further reported Norma and he met with the Environmental Outreach Coordinator and Customer Service and Outreach Manager as well as the EVS Program Manager for the City of Pacific Grove. They were very impressed with our recycling program.

In preparation for a meeting with the Welcoming Committee there was a general discussion on what issues the building representatives have seen with new residents and how they and the Welcoming Committee/mentors can work together to make new residents have a smooth transition to their new home.

There was also a discussion on the focus for next month’s Earthday activity during Earthweek (April 22-28)

The building representatives reported on their buildings with no major issues however several issues around the laundry rooms were identified. Geoven will look into whether door stops can be put on the laundry room doors.

There being no further business the meeting was adjourned at 11:07am. The next meeting will be on April 5, 2018 at 10:00am in the Canterbury Room.

Nancy Frost, Chair
