

SPOTLIGHT ON OUR EMPLOYEES: Josephine (Josie) La Sala

Brought to you by the Annual Employee Appreciation Fund Committee

New at the Reception Desk on weekends and holidays is Josie La Sala. Known to many of us for her yummy Italian pastries, found at many birthday parties, marketing events and as special orders by residents for important occasions. Josie, as many know, is the daughter of Maria La Sala, Dining Room Lead.

In addition to greeting visitors, answering the phone and residents' questions, she assembles packets for marketing events and makes copies of the "Weekly Calendar" and "What's New" and puts them in residents' boxes. Her favorite part of the job is talking to residents and helping them out with what they need.

Josie is from Monterey and currently lives in Seaside. She graduated from Monterey High School in 2010 and earned an Associate of Arts Degree in Accounting from the University of Phoenix in 2013. She started Josie's Italian Sweets in March of the same year selling at the Pacific Grove Farmers' Market (Mondays) and the Wharf Marketplace in Monterey. Her ultimate goal is to open a rustic Italian pasticceria with table service and outside seating in Monterey or Pacific Grove.

When not working Josie enjoys scrapbooking, drawing, cooking and baking. She wants residents to know, "I'm here to help them. They can count on me. Family, friends, God, and loving what I do are very important in my life."
