

SPOTLIGHT ON OUR EMPLOYEES: Natasha Webb

Brought to you by the Annual Employee Appreciation Fund Committee

The friendly and enthusiastic LVN (Licensed Vocational Nurse), who oversees Jade Court, is Natasha Webb. She is very busy and has a variety of tasks. She is involved in transitioning residents returning from CHOMP (Community Hospital of the Monterey Peninsula) or the Medical Center back to independent living, responds to on-campus emergencies, gives first aid, dispenses medications, sets up physicians' appointments and coordinates transportation. Her favorite part of the job is interacting with residents. Her least favorite part of the job is the lack of enough hours in the day. Natasha has been at Canterbury Woods for two years.

Prior to completing her LVN, Natasha worked as a Medical Assistant for physicians and as a phlebotomist. She also worked as an independent contractor for seven years assessing individuals in their homes for insurance companies. Born and raised in the Monterey Area, she attended Seaside High School and Hartnell College. She has two brothers and two sisters (she is the middle child).

Ray and Natasha have three children; Iyana a Junior at Seaside High School, Jade who is in the 6th grade, Ray (junior) who is in the 4th grade and a Shih Tzu, named King. She says she has no time for her own hobbies as she spends her spare hours at her children's basketball, softball, soccer and gymnastic events. Ray and Natasha are the owners of Tenth Street Liquors in Monterey.

Natasha would like residents to know how much she really enjoys working here and that she loves being part of Canterbury Woods!
