

# GO PAPERLESS!

Save a tree and reduce expenses - read documents online! Sign up to "go paperless" and stop receiving printed copies of the weekly **Activities Calendar** and/or the **What's New** newsletter and/or the **Resident Directory** and/or the **Menus**.

Email the [Webmaster](#) \* and specify which of the above documents you want to read online . If you would like to receive an email message when an updated document is available, please provide your email address.

If you prefer, you can sign up at the front desk.

Remember that 170 copies of these documents are currently being printed so you can make a big difference by switching to the online document. The calendar is an exact copy of the printed version so you get everything in full color, including flyers and photos. All documents on the website, including the Resident Directory, are always up-to-date.

*(\*Some computers cannot use website email links. If you encounter this problem, please write to Alice directly at [aliceenglander@sbcglobal.net](mailto:aliceenglander@sbcglobal.net).)*
