

The Canterbury Woods Resident Website contains a wealth of information about activities, dining services, residents, staff, health services and the Resident Association.

Newsletters, meeting minutes, the resident handbook and directory and many other documents are available, including archives from the past.

Enjoy photographic retrospectives of activities. Share your personal interests with other residents.

## Important Information

Watch for special notifications at the top of the home page.

Use the website search box or the table of contents to learn what information is available and where it is on the website.

We welcome contributions to the website. Details about preferred formats are available on the website's More page.

Send your contributions, comments or questions to Alice Englander.
